## STEP 1

Down load the cut file you will get 5 owls but I only made 4. There is a video to go with each owl.  
This first owl is from Create a Critter 2 I folded the heart wings for dimension.

## STEP 2

This owl is from Give A Hoot. I <http://www.cricut.com/project/ProjectCenter#tabs-0>inked the edges of most of the pieces and folded the wings a little for dimension.

## STEP 3

This owl is from Straight From the Nest. I welded the owl to the branch. I also inked the edges. Watch this video for more detail.

## STEP 4

This owl is from Cricut Lite Sugar and Spice. the video is the last one and shows putting them all on the box. This owl seemed to be the favorite one.
