PROJECT CUT FILES

[Baby Shower Invite.ccr](#)

STEP 1

See cut file for cutting pieces

STEP 2

Run front of card through with embossing folder. Ink edges of front with Distress Ink.

STEP 3

I used 16" strips of tulle. Run a basting stitch with sewing machine and gather. I used Scor-tape to adhere the tulle to the card.

STEP 4

Cut strips of pink and striped card stock & ribbon to fit front. Adhere with glue over top edge of tulle to hide stitching.

STEP 5

Adhere "Baby Shower" to front.

STEP 6

I used Word to print the information on the vellum. I have an ink jet printer. I had to let the ink DRY OVERNIGHT so it wouldn't smudge.

STEP 7

I stamped the "baby feet" then adhered the information sheet to the inside of the card.
