I made this card for a friend graduating from Dental Hygiene school. To create this card I used the emblem from Craft room basics. I then layered the phrase "You Did It" from the create a critter 2 cartridge. I used my cricut markers to draw the phrase before cutting it out. The tooth came from the Dr. Check Up cartridge. I used adhesive foam strips to give the tooth a 3d effect and i finished both the tooth and phrase with Mod Poge sparkle. Hope you enjoy :)
