## BABY'S NEW BEGINNING

**Design by:** [kathy21361](#) (6 Projects)

**About me:** I have been crafting for a very long time. However, I have only been using the Cricut machines for less than a year. I love making cards, scrapbook layouts and banners just for starters.

**Project skill level:** moderate

**Project time:** 1 hour to 2 hours

**Project tags:** Feminine Classic Baby Girl

## CRICUT®: WHAT WAS USED

Gypsy™ handheld design studio for Cricut®

Martha Stewart Crafts® Elegant Cake Art Cartridge

Cricut Expression® Machine

## OTHER MATERIALS NEEDED

Ribbon from Michaels Crafts

Quick Dry Adhesive

Stamps- Rubbernecker Stamps - A new begi

Memento Tuxedo Black Ink

Stamps - Cardz TV- Ticket Talk 2

ATG adhesive

## STEP 1

I used a textured 12" X12" Card Stock for the base of my layout. Then I added a piece of pattern pink paper. I cut it at 11.5" x 11.5".

Scrap book layout for Baby Girl

## STEP 2

I cut the Bear and all of its pieces at 5.5 and put together with the Quick Dry Adhesive. The wings were cut from plain white card stock and then I added fine white glitter. I used a black marker to add mouth and I used a white gel pen to add white parts to the face.

Cricut Cartridge Teddy bear Parade

## STEP 3

I cut a 5"x7" Pattern Baby paper for the picture background. I used my ATG to add this to my layout.

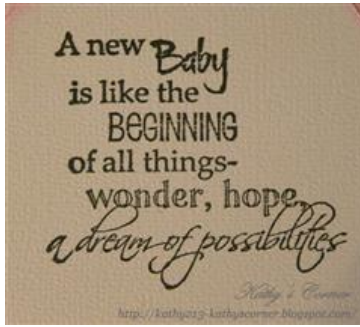

Scrap book layout for Baby Girl

## STEP 4

I used Cardz Tv Stamps set Ticket Talk 2 to stamp the ticket and sentiment. I used my favorite ink Memento Tuxedo Black Ink. I also stamped the Anew Baby sentiment on gray paper with Rubbernecker Stamps and then the Sweet baby with a stamp set I am not sure of the name.

Stamp from Rubbernecker Stamps

Stamped with Memento Tuxedo Ink

## STEP 5

The white background edging was from Martha Stewart Elegant Cake Art cut at 3.88 and I welded 2 of them together after I removed the circle in the original border. I did this all on my Gypsy.
