CRICUT®: WHAT WAS USED

Lyrical Letters Cartridge

Cuttlebug® A2 Spots and Dots Emboss Folder

Cuttlebug® Machine

OTHER MATERIALS NEEDED

Mod podge and hot glue

Brads

Flowers

Printed and plain colored cardstock

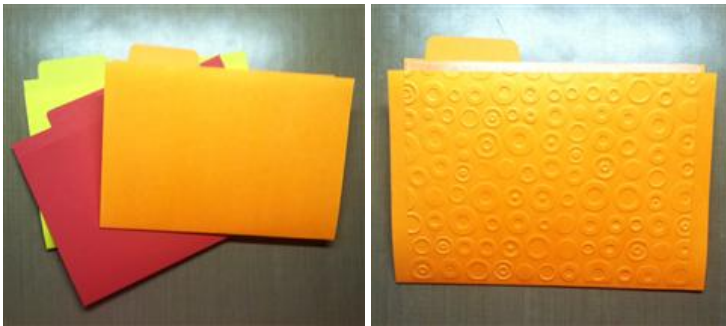

STEP 1

Start with a plain wooden recipe box that will fit your embossing folders. Adhere cardstock to box with mod podge, I used my Cricut to cut the perfect size for my box.

STEP 2

Cut file folders, in multicolors for fun, and emboss front for easy recall when going to use the folder.

STEP 3

Adhere "Embossing Folders" label to front using lyrical letters cartridge and mod podge. Also hot glue your flowers with the brads to the front for extra decor and enjoy!
