**Project skill level:** moderate

**Project tags:** Notebooks/Mni Albums Birthday Feminine Celebration

I made this memory book for my daughter's surprise birthday brunch at work. We wanted every guest to sign and comment to her. I made it using her favorite colors.

### CRICUT®: WHAT WAS USED

Cricut® Mother's Day Bouquet Seasonal Cartridge

Cricut Expression 2: Anniversary Edition

### OTHER MATERIALS NEEDED

DCWLeCreme Card Stock

Ribbon

Gem Flourishes

Adhesive

Pearls

Cricut Craft Room

## STEP 1

Cover front & back of mini album with flocked Le Creme paper.

## STEP 2

Using Cricut Craft Room and Mother's Day Bouquet, cut varying sizes of flowers. Glue flowers together, curl petals down & up to add depth. Add pearls for centers.

## STEP 3

Leaves should be cut with flowers. Adhere flowers to the front of book, arrange leaves around them. Add red jewels and jewel flourishes. Add decorative butterflies as accents.

## STEP 4

For a finishing touch, I wove red ribbon through the binding of the book, tied bows on each end and adhered the bows to the book.

## STEP 5

On the inside of the book, I cut out different flower motifs, some from paper, some from felt lace, etc. to decorate the pages. The theme was to give Donna 50 of something. I started out to give her 50 flowers in this book but it turned out to be closer to 100.
