STEP 1

From assorted double-sided patterned cardstock, cut out the card and card liner using the CCR file or the CCR Exclusive, Mother's Day Card #6, and the three flowers (F-Accent2) using Artiste.

STEP 2

Adhere card liner to inside of card.

STEP 3

Apply ink to the edges of the flowers with a sponge.
Using a slotted quilling tool, roll the flowers and glue them together with a strong liquid adhesive.

STEP 4

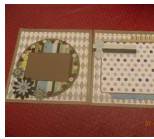

Adhere the rolled flowers, some punched leaves, and dyed seam binding to the card front. Add a few adhesive-backed rhinestones to the sentiment on the card front.
