DINOSAUR VOLCANO CAKE

Design by: [manders1206](#) (5 Projects)

About me: mom of two rambunctious little boys, floral designer by trade, baker/cake designer by desire and crafter at heart

Project skill level: moderate

Project time: 2 hours to 3 hours

Project tags: [Birthday Edibles](#) [Boy Party Decorations/Favors](#)

I made this cake for my son's Dinosaur themed 3rd Birthday party. I used the Dinosaur Tracks cartridge to cut out a few dinos, footprints and palm trees out of fondant and modeling chocolate and then "glued" them to toothpicks with melted chocolate so they "stood" on the layers.
