CRICUT®: WHAT WAS USED

Cricut® Opposites Attract Cartridge

Cricut Expression® 2

New Testament Cartridge

OTHER MATERIALS NEEDED

11x14 frame

self-adhesive vinyl-brown

self-adhesive vinyl-teal

transfer paper

STEP 1

I used Opposites Attract cartridge to do all the lettering & the New Testament cartridge for the crosses. I did everything backwards so that I could put the vinyl on the back side of the glass. I lined everything up where I wanted it to be & saved the project. After saved, I just cut out what I wanted in brown & used transfer paper to put the lettering on the glass & repeated the same actions with the teal.
