About me: I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

My niece is getting married soon, my youngest sister and 2 of her children will be participating in the wedding. As a thank you gift, I will be making her an album using the pictures of her and the kids. I made her a gift certificate and this cute card to present it to her in.
