PROJECT CUT FILES

Chalkboard Wall Hanging.ccr

STEP 1

using the painters tape mark the perimeter for your green "chalkboard" area. Paint and remove painters tape.

STEP 2

Carefully paint your "frame" using white paint, you can use painters tape for this step too. Once this is dry use a dauber to create you polka dot pattern using the orange paint.

STEP 3

Using Cricut Craft Room and your Cricut Machine cut the shadow for your letters on cardstock to use as a stencil and the vinyl for the top

layer of the letters.
I used Chalkboard Fonts Extended for : "Love" and "Explore; Chalkboard Fonts Condensed for: "Soak up the Sun", "Life" and "Big";
Chalkboard Fonts Bonus Letters and Basic for : "this" and "Dream". Heart is from Cricut Alphabet cart. and the sun is from Gypsy Wanderings.

STEP 4

Using your cardstock stencil and a dry brush create the "chalk" effect for the shadow of your words. Let Dry.

STEP 5

Apply vinyl letters following manufacturers instructions and voila! you are done
