About me: I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

Project skill level: moderate

Project time: less than 30 minutes

I filled the groom boxes with personalized M & M's, the kids brought personalized Japanese candies for the bride boxes. I forgot to mention that the bride is a sweet, beautiful Japanese girl, she is the perfect wife. Each place setting had one of each box. The bride's colors were: lavender, pink and mint green, I used all 3 colors on the bride dresses, mixing colors on every table.
