Cricut Expression® 2

Outdoor Man Cartridge

## OTHER MATERIALS NEEDED

Cardstock

Tim Holtz Distress Ink

Foam Adhesive

Gel Pen

## STEP 1

Cut out all pieces of the card. Cut out card base, using CCR basic. Cut out target and bullets from outdoor man cartridge.

## STEP 2

Distress and color bullet layers. For this card I used white paper for the bullets and then colored with distress ink colors mustard seed and tea dye.

## STEP 3

Adhere assembled bullets onto target using foam squares so that they pop off their background.

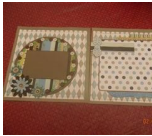

## STEP 4

Adhere target onto card base. Round the edges of the card and draw stitch marks on boarder with gel pen. Enjoy!
