CRICUT®: WHAT WAS USED

Birthday Bash Cartridge

Everyday Pop-Up Cards Cartridge

Cricut Expression® Machine

OTHER MATERIALS NEEDED

ribbon

sentiment stamp

trimmer

bone folder

PROJECT CUT FILES

piano.ccr

Attach using scortape the black keys to the front of the card. It should look like a piano :) Add ribbon and a sentiment.

STEP 2

Cut Everyday Pop Up Cards Lock feature 8.5 x 5.5 White card stock. Score long end at 4.25. Turn to short scalloped end and with bone folder score to about midway at each scallop. That will form the keyboard (white keys)

Weld the cupcake feature (hiding all but one, this represents the black key) 1.625 x .403 to a rectangle cut from Craftroom basics 2.8 x 5.5. Or just use cut file above.
