CRICUT®: WHAT WAS USED

Cricut® George and Basic Shapes Cartridge

Cricut Expression® 2

OTHER MATERIALS NEEDED

card stock

adhesive

glossy accents

acetate

STEP 1

Cut card Base: 4.25 x 11 and fold in half

STEP 2

Cut rectangle 3.75 x 5 and adhere to card base

STEP 3

Cut another rectangle: 3.25 x 4.5, emboss with wood grain embossing folder, and ink with brown ink. I used Crumb Cake from Stampin' Up. When ink is dry, center, and adhere to previous rectangle.

STEP 4

Adhere measuring tape, or embellishment of your choice, horizontally across the center of the card.

STEP 5

Cut out screw driver. Adhere clear acetate with glossy accents (I used a piece of packaging from a box of cards) to handle of screwdriver and trim to fit.

STEP 6

Adhere small rectangles from layer 2 over rectangular openings in screwdriver handle. Cover with glossy accents to give them a plastic look.

STEP 7

Adhere screwdriver diagonally to card and add sentiment.
