

## BUG CARD

**Design by:** [jrzeeqr198](#) (7 Projects)

**About me:** I love papercrafting!

**Project skill level:** [easy](#)

**Project time:** [less than 30 minutes](#)

**Project tags:** [Outdoors](#) [Cards](#)

[Congratulations Cards](#) [Friend Cards](#) [Playful](#)

My son took and passed the state exam for Pest Control, so of course I needed a card!

## CRICUT®: WHAT WAS USED

Cricut® Plantin  
SchoolBook Cartridge

Cricut® Home Décor  
Solutions™ Cartridge

Cricut® Birthday Bash  
Cartridge

## OTHER MATERIALS NEEDED

- card stock
- adhesive
- Spellbinders Shapeabilities
- googly eyes

## PROJECT CUT FILES

 [bug card.ccr](#)

### STEP 1

I welded 2 of the bugs shadow from the Home Decor cartridge along with a rectangle from Plantin. Cut two of these images, one in lime green the other in light yellow.  
Cut 1 light yellow bug blackout

### STEP 2

Cut two basic bugs in black  
score the two welded cuts in half. The light yellow will need to cuts in the center of the fold to create the pop up feature. Adhere light yellow to lime green. Adhere black basic to yellow blackout and then adhere that to the lime green. Attach googly eyes.

### STEP 3

Open card and adhere black basic to top half of light yellow welded shadow bug. You will need to trim some of the bottom of the bog body at the bottom to accommodate the pop up. Add googly eyes.

## STEP 4

Cut 1 basic mouse2 from birthday bash pink (trim off the balloon from hand to ear)  
Cut 1 shift basic mouse2 grey  
Cut 1 layer 1 mouse 2in tan. Assemble mouse, add googly eyes and use marker to draw mouth.

## STEP 5

cut one banner using the banner die in cuttlebug  
stamp sentiment and then attach banner to mouses hands with dimensionals. attach mouse to cut pop up  
If using the attached file the card will fit in a 5x7 envelope.
