**About me:** I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

**Project skill level:** moderate

**Project time:** 30 minutes to 1 hour

**Project tags:** Birthday Celebration Cards

I tried to match the look of the Southwest, I hope my baby bro back in Michigan likes it. Nothing says personalized like your name on the front. I used the Cricut Craft Room Font.
