

TEA LIGHT CAKE

Design by: jræegr198 (84 Projects)

About me: I love papercrafting!

Project skill level: easy

Project time: less than 30 minutes

Project tags: Birthday Home Décor/Accents
Celebration Playful

Found this little gem on Pinterest and decided to try to make them with my expression. I've been going crazy making them for gifts! We even have one to light at our red hat lunches if there is a birthday, and we sing while the "cake" is lit.

CRICUT®: WHAT WAS USED

Forever Young
Cartridge

Cricut Expression®
Machine

Sweet Tooth Boxes
Cartridge

OTHER MATERIALS NEEDED

LED Tea Light
adhesive

Card Stock

PROJECT CUT FILES

[gypsy candle cake light.ccr](#)

STEP 1

Cut file attached. Be sure to cut a hole on the "cake plate" to accommodate the on/off switch!
