STEP 1

The fellow is welded from Paper doll, Doodlecharm egg, and basecamp dog tag. I welded to make him a bit plump so that I could embellish more.
 The hair is a heart trimmed.
 For Brain Freeze, charleyhorse, butterfly in stomach, broken heart, writers cramp, water on the knee, wrenched ankle and funny bone I had to get creative and find things on all my cartridges and some were welded for ex the wrench is 2 Don Juan c's attached to a base camp dog tag. The wishbone is a portion of the sandle welded to a base camp dog tag.
