Design by: [ScrappinCookie](#) (4 Projects)

About me: My Cricut Products have opened and set a whole new level to my creativity. I've even been given the opportunity to have several of my projects published in in the 2012 Cricut Magazines (July - Dec).

Project skill level: **easy**

Project time: 30 minutes to 1 hour

I used the Patriotic Hat from the Create A Critter 2 Cartridge and welded two together to create the shaped card. The flowers were made with the Flower Shoppe Cartridge layering several "Fun4" Flowers in different sizes together.
