

FLOWER FRAMES

Design by: [kayg02](#) (1 Project)

About me: Love scrap booking, and just getting into card making

Project skill level: [easy](#)

Project time: [less than 30 minutes](#)

Project tags: [Baby Shower](#) [Home Décor/Accents](#) [Wall Décor/Wreaths/Banners](#) [Wedding](#) [Feminine](#) [Girl](#)

I cut strips to quill flower some I have added to the outside of frames , but for a dust free frame I use shadow boxes

CRICUT®: WHAT WAS USED

Cricut® Projects
Cartridge, Flower
Shoppe

Cricut Expression®
2

OTHER MATERIALS NEEDED

- card stock double sided papers leaves
- adhesive & hot glue gun quilling tool

STEP 1

1. cut flower strips using the flower shoppe cartridge
2. use quilling tool to twist the strips tight
3. remove from tool and let the flower relax then glue end to flower
4. use glue gun to add the flowers to your frame or shadow box
5. you can dust with glitter , add rhinestones , buttons to decorate.
