

# FLOWER FRAMES

Design by: kayg02 (1 Project)

About me: Love scrap booking, and just getting

into card making

Project skill level: easy

Project time: less than 30 minutes
Project tags: Baby Shower Home
Décor/Accents Wall Décor/Wreaths/Banners

Wedding Feminine Girl

I cut strips to quill flower some I have added to the outside of frames , but for a dust free frame I use shadow boxes

# CRICUT®: WHAT WAS USED

Cricut® Projects Cartridge, Flower Shoppe

Oricut Expression®

### OTHER MATERIALS NEEDED

- card stock double sided papers leaves
- adhesive & hot glue gun quilling tool

#### STEP 1

1. cut flower strips useing the flower shoppe cartridge

2.use quilling tool to twist the strips tight 3. remove from tool and let the flower relax then glue end to flower 4. use glue gun to add the flowers to your frame or shadow box 5 you can dust with glitter, add rhinestones, buttons to decorate.
