About me: I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

STEP 2

Using Cricut Craft Room Basics, cut font @ 4" (the CD instructions will help you decide what size to cut your font). I used my deep cut blade with the pressure set at HIGH and a multi cut of 3. After cutting your font, color and shrink per CD instructions.
