## OTHER MATERIALS NEEDED

- Glitter
- Glossy Accents
- pop up adhesive
- Swirls cuttlebug folder

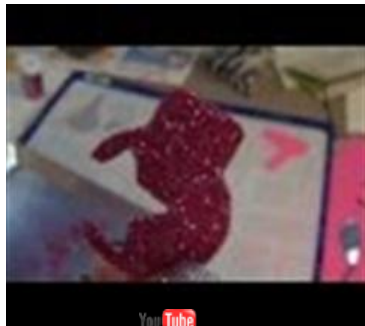

## STEP 1

The card is 4.25x5.5" I used Cricut Crafteroom to cut the images from Girls Makeup Party. I used recollections paper in metallic silver and hot pink. And popped up with foam squares. The base white paper is glitter paper from Joanns. The pink on the nail polish was put through a xyron and then coated with glitter and then glossy accents over the whole thing. I added a little rhinestones to the hair dryer. The ribbon was zebra with fur, feels like real zebra. I used the Cuttlebug on the glitter paper with the swirls folder with pick rhinestones in each swirl.
