STEP 1

I used Masks-EarthyElements CCR exclusive and Suburbia Cricut cartridges. I used Suburbia just to make the holes fit the 3D glasses. Maddie chose everything, white glitter paper, tie dye paper, and the cuttlebug folder by Anna Griffin but I don't remember which one. she picked the pink zebra and regular zebra for the rhinestones and put them on herself.

The video below is a MUST Watch! The out takes at the end are very funny.
