About me: I have been married for 1 year and we are about to have a little baby girl! I taught 2nd grade and loved it, but will now stay home with our baby. I'm excited to be home and have more time to craft!

I used the handwriting 101 and paint and papers that went with the colors in our living room. The wood is a 2x4 cut into pieces of 4x4 and 4x3 placed on a board about 18" long. The letters are paper and the saying on the bottom is black vinyl from PC.
