**About me:** I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

**Project skill level:** **easy**

**Project time:** 30 minutes to 1 hour

**Project tags:** Summer Love Notes/Cards

My granddaughter loves swimming and sea life. After having ruined the card cut 3 times, I decided to just pull out a ready made plain card and spray with Glimmer Mist. Maybe I'll make the finger puppets and send them along with the card.
