My grandson loves to fish - He loved his card.

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® Everyday Paper Dolls Cartridge

STEP 1

I used "A Child's Year" Cartridge for the boy and Everyday Paper Dolls for the fish. Found the birthday saying on line doing a Google search. When I find the quote I will credit the person for it. The wish are on a wobble.
