**About me:** I am a newbie to the cricut community. But i like vintage looking things. But i guess that i like everything that has to do with crafting.

I was inspired by a You tube by the name of Shabby Beautiful Scrapbooking. She makes the most beautiful mini albums. I made this as a gifted for my mother-in-law for her birthday. I used only stuff from my stash. I didn't buy any thing new for this project. This was my very first mini album I've made.
