Quick and easy DIY Mr. and Mrs. Potato Head Costumes using the Cricut.

CRICUT®: WHAT WAS USED

Tie the Knot Cartridge

Cricut Expression® Machine

Mustaches & Glasses Digital Set

OTHER MATERIALS NEEDED

brown shirt

felt

STEP 1

So, I started off finding the pieces in my CCR folders. I purchased the Halloween Rental bundle so I had a lot of options. I ended up using Frankenstein's Face (did you notice that Frankenstein's mouth is actually Mr. Potato Head's eyebrow?), Mustaches & Glasses Digital Cartridge, and Cricut® Tie the Knot Cartridge.

STEP 2

I cut out each of the pieces on super thick card stock to use as a template.

STEP 3

I traced the paper pieces onto felt pieces

STEP 4

I then hot glued onto brown t-shirts

STEP 5

Finally, I created Mr. and Mrs. hats to complete the look
