Score pal

flameless tea light

PROJECT CUT FILES

[Halloween Lanterns.ccr](#)

STEP 1

This file will make two different luminaries. Use 3 cut file panels and one solid panel and one bottom cut for each.

STEP 2

Score each "panel" at .5 inches on sides and bottom

STEP 3

Add vellum to inside of the 3 silhouette panels using score tape

STEP 4

score all 4 sides of square at .5 inches. this will be bottom

STEP 5

add score tape to fold edges and adhere and assemble

STEP 6

insert flame-less tea light and enjoy!
