

HALLOWEEN CARD

Design by: CarolH (9 Projects)

About me: I've been scrap booking for several years. I've made Christmas cards for several years. About a year about I decided to learn more about card making for other occasions. I love Cricut Craft Room!

Project skill level: moderate

STEP 1

Cut shapes using cut file.
Card is 5" x 7". Cut black and orange card stock, for layers, using the Matting Basic dies--adhere to card. Cut a 1-1/2" strip of green card stock using the next smaller size Matting Basic die--tear top edge--adhere at bottom of orange layer. I used Walnut Stain Distress Ink on the orange matting layer and green layer, and Spiced Marmalade on the moon.

STEP 2

Emboss tree in embossing folder. I used some Walnut Stain distress ink on the tree. Adhere to card. Adhere moon and bird. Glue orange

bling to bird for an eye.

For the bat in the moon cut, I filled it in with black Stickers.

STEP 3

Use glue pad to add glue to gate. Apply black glitter. Glue gate to card.

STEP 4

For inside of card, glue black cut piece to orange pumpkin face. Put some Scor Tape near the side and bottom edges of the back of the pumpkin. I left the top open to be able to slide in a gift card! :)
