The card measures 4 x 5.5 using PTI soft stone card stock which is stamped with flowers in terra cotta tile. then a layer of vellum is added on top with embossed designs in gold sparkle from creative inspirations paint which on top are place 5 pumpkins cut from the basic shapes of the imagine machine using the "enjoy the seasons" imagine cartridge for the patterns. On top of the pumpkins is a button from my stash to top off the wreath and pull it all together. In the top two corners I have made some pearls with the viva pearl pen. the falling leaves are from the "enjoy the seasons" cartridge. I hope you enjoy my project if you would like more info visit come my blog. Have a blessed day DIANA L. <http://dianamlarson.blogspot.com/>
