### STEP 1

Cut 6 rosette pieces for each rosette and ink the edges with Distress Ink, Black Soot. Assemble the rosettes. Use a strong adhesive on the spiderweb rosettes. I had to take it down after I took the pictures to re-adhere one of the ends. Assemble the cats, I used Glossy Accents on the cats' mouth and nose. I used stickles on the letter mats to highlight the birds and hand. I distressed the black papers using white chalk ink. I ran a ribbon through the rosettes to hang.
