I have been working on this project on and off for a few months, trying to get everything just right. I have had many versions, this is the 4th version of the current version. Now what do I do with the rest of the jars I have collected in my search for the perfect jar?

STEP 1

Cut gingerpeople from, Paper Doll Dress Up using the: accessory2 and accessory2-s cutting a variety of sizes. Before cutting, I did a lot of the decorating with my Cricut Ink replacing the blade. Decorate using Stickles, glitter glue, etc. Attach to a variety of lengths of wooden skewers.

STEP 2

Some of the gumdrops are from, Just Because Cards using the layer2-s cut, the others are negatives from the Christmas Advent cartridge gingerbread house cut. I also cut some of the gumdrops from vinyl and used them to decorate the jar.

STEP 3

Add a ribbon and a bow to complete your jar.
