CRICUT®: WHAT WAS USED

Cricut® Cindy Loo Cartridge

Cricut Expression® Machine

OTHER MATERIALS NEEDED

Wooden plaques (I used 6" ones)

Mod Podge

Tap-in Sawtooth Mounts

Paint

Adhesive foam squares

STEP 1

Select the colors for your owl and paisley and cut and assemble them.

STEP 2

Prepare the background on your plaque. I painted one entirely and painted the edge of the other and used my Craft Room Basics to cut a 6" circle of paper which I mod podged on the face of the plaque. Once the paint was dry I used Mod Podge all over both plaques to add the satin finish. Once they are dry, tap the sawtooth mounts onto the back of the plaques.

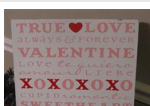

STEP 3

Use the adhesive foam squares to affix your fun shapes to the plaques. (Be sure to line them up right with your sawtooth mounts so you can hang them straight.) Enjoy!
