Turn the Milk Carton into a cute little bank! These were made for Circle Mania attendees!

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® Everyday Cartridge

Cricut Craft Room Basics

STEP 1

Using CCR, add a rectangle to the milk carton image from TBBM2. Score and cut the image. Fold and glue the milk carton together. Add your decorations. I used a strip of Circle logo paper, the bughead from Everyday Cricut and a printed tag on a banner.
