EASTER GLASS BLOCKS

Design by: [Scottiemom](#) (8 Projects)

About me: I got my first Cricut in 2009 and love to create!

Project skill level: [easy](#)

Project time: [less than 30 minutes](#)

Project tags: [Home Décor/Accents](#) [Easter](#) [Holiday Décor](#) [Vinyl](#)

Decorated Glass Blocks made with the Cricut Craft Room Exclusive "Easter Blessings" and "Easter 2010" cartridge

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® Easter Seasonal Cartridge

Cricut Craft Room™ Exclusives, Easter Blessings

OTHER MATERIALS NEEDED

StazOn Opaque "Cotton White" ink

Ribbon

Decorative Floral pick

20 mini light strand

Deco Block Glass Block

Hot glue gun

STEP 1

Make sure glass block is clean. With ink pad, cover entire front and back of block, rotating the ink pad so you will get a uniform look. Let dry completely.

STEP 2

Cut desired shape from your cartridge with vinyl color of your choice. Use transfer tape to adhere to block.

STEP 3

Insert lights into the glass block. (Make sure they work first!) Then wrap wide ribbon around the sides of the block. Tie a bow at the top, then using hot glue gun, adhere decorative floral pick to top. Plug in and enjoy!
