VALENTINE MAILBOX

Design by: [Alicia59](#) (1 Project)

About me: I am a mom of 2 wonderful children and several fur babies. My day job is in Law Enforcement and I use my crafting to de-stress myself.

Project skill level: advanced

Project time: 1 hour to 2 hours

Project tags: [Valentine's Day](#) [Retro](#) [Love](#) [Celebration](#) [Party Decorations/Favors](#) [Love](#)

[Notes/Cards](#) [Holiday Décor](#)

I created this as center pieces for a Valentine's Dance. Using the Cricut Craftroom, the Flower Shoppe cartridge, and the Love Struck cartridge for my cuts. Some of the other items used were a paper towel, artificial grass, and sherded paper to fill the flower basket. he basket itself was made by hand using two coordinating colors wove them to make a basket. I used a hot glue gun to put everything together.

CRICUT®: WHAT WAS USED

Cricut® Love Struck Seasonal Cartridge

Cricut® Projects Cartridge, Flower Shoppe

Cricut Expression® 2

OTHER MATERIALS NEEDED

Recollections Card Stock

Hot Glue
