EASTER GREETINGS

Design by: [HollyHudspeth](#) (14 Projects)

About me: I like to try all techniques in scrapping and am constantly learning. I am finding that most embellishments can be cut with a cricut machine. A little glue and paper and you can have anything.

Who said you can't design with the Explore. I am finding it easier than ever with this machine. I made an Easter Card to send to my DD.

CRICUT®: WHAT WAS USED

Holidays through the Year Iron-on Cartridge

Cricut Explore®

OTHER MATERIALS NEEDED

Echo Park

White Cardstock

Martha Stewart Hydrangea Punch

Lace

Echo Park

Cricut Explore Gold Pen and Scorer

Studio Calico Enamel Dot

STEP 1

Take a 1/2 inch of lace and fold it in thirds and tuck it behind the bow.

Made with the Explore

STEP 2

Here is the Explore Cut File: <https://www.cricut.com/design#/canvas/project/16306426>
It will cut the card base and score it for you
It will provide the border and write the greeting and the chick.

STEP 3

Square Background and frame = 3.5 inches
Chick = 3" height
Border = 4.25 inches wide (Same for lace)

STEP 4

I printed out the paper from the digital sets on white cardstock and cut the files from them.

STEP 5

Glue the frame to the square background, then glue that to the base frame.

STEP 6

Pop up the border on the bottom and the chick to the background, tucking his feet just under the border.

STEP 7

Cut two of the hydrangea punches using the same left over pink. Glue an enamel or bling dot in the center of the flower. Glue the flower to the center of the bow on the chic.
