### PROJECT CUT FILES

#### STEP 1

See attached CCR file.

I laid out all my cuts using Cricut CraftRoom, so that I could make sure all the vinyl cuts would all fit on the centre of the plate.

#### STEP 2

I also used CraftRoom to slant the “Good Witch” from A Frightful Affair to give it the feel of an italic font.

#### STEP 3

The shoe cut did not have a heel tip on stiletto, so I just cut a small piece of silver vinyl to make the tip. I also added some glossy accent to the spider “embellishment” on the witch’s shoe to add some dimension to it and trimmed off the excess legs so it would look like the rest of the spider wrapped round to the other side of the shoe.
