STEP 1

I wanted to make a gift box to hold coffee K-cups and chose the triangle box (9.5") from "Sweet Tooth Boxes". I used Hide Contour on the box insert, and added 6 circles (1.6") from CCR Basics so that the K-cups would fit (mini-cupcakes would work too), also adding a CCR basics heart (stretched) to make a window in the box top. The saying is from Love You a Latte lite. In the CCR file I have also included a Christmas Tree themed box. Enjoy!
