ROBOT CARD

Design by: [aussieshell](#) (3 Projects)

About me: im a mum that LOVES her Pink Cricut!! I scrapbook and make gifts for my family & friends using my cricut

Project skill level: [easy](#)

Project time: [less than 30 minutes](#)

Project tags: [Birthday](#) [Boy](#) [Celebration Cards](#) [Cards](#)

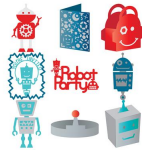

A great card for a little boy

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Robot Party Cartridge

OTHER MATERIALS NEEDED

Cardstock or card base

Metal round hot fix embellishments

adhesive

Washi tape

Foam tape

STEP 1

Cut out robot in your colour choice. I used metallic blue and dark blue. Piece together & glue.

STEP 2

Stick washi tape at intervals down the card base as shown in the picture

STEP 3

Mat white cardstock on blue & pop up the robot with foam tape or other adhesive

STEP 4

Cut out the Happy Birthday from the cartridge using black cardstock.

STEP 5

Place the happy birthday on another piece of blue cardstock on an angle with a piece of white behind it

STEP 6

Use a heat setting tool to stick on round metal embellishments or you could use brads or eyelets. Your card is now complete.
