A double layout using A Child's Year and Heritage

## CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® A Child's Year Cartridge

Gypsy™ handheld design studio for Cricut®

## OTHER MATERIALS NEEDED

cardstock

distress inks

foam adhesive

embossing folder

### STEP 1

I created a dusk sky with various shades of ink applied with a brayer. I used a mask to create the moon.

### STEP 2

I cut the houses, fence and tree from Heritage. I cut the houses again in white using my Gypsy to remove the window cuts so the cut would work as a blackout.

### STEP 3

I used gray cardstock for the concrete sidewalk and I embossed it using a brick pattern.

## STEP 4

I cut the children in black and their shadows in white. I attached them using foam squares to give the layout dimension.

## STEP 5
