MEGAN FOUND PONIES

Design by: [ConstanceShortel](#) (3 Projects)

About me: I am a wife, mother of 2, grandmother of my darling granddaughter. I am a legal assistant stuck here in Florida when I'd love to return to my beloved mountains in West Virginia.

LAB/CAC Layout. From my girls' road trip. Pics are from Asseateague Island. The journaling reads: Megan was afraid she wouldn't see horses, so she looked up the time of sunrise and made sure she was on the beach before then. She was rewarded with finding 2 horses and granted an hours time with just the three of them. The font and chair are from LAB; the sun is CAC.
