THANK YOU FOR HAZEL

Design by: jody3830 (2 Projects)

About me: While I am new to the world of card making and scrapbook creation; I really do enjoy seeing my family and friends' faces when I surprise them with a "Cricut" created card or gift.

Project skill level: easy

Project time: 30 minutes to 1 hour

Project tags: Boxes/Bags/Tags Family Home Décor/Accents Spring Summer Thank You

Cards Party Decorations/Favors Family Cards Friend Cards Gifts Playful

I created the strawberries and the little basket with the "Spring Cottage" cartridge. For our cousin June, I created a photo memories booklet and then made the box for it from Cricut Cartridge Tags, Bags, Boxes and More and I used the Flower Shop Cartridge to make the flower for the top. I just recently made a thank you card for my friend Sandy. I have a lot to learn when it comes to creating Cricut projects and I think with each one I make, once it is done, I see that, if I had done this or that different it would have looked better. I have just started writing down the sizes and how I put something together, I just figured if it didn't work I would just try something different but I have found that by writing it down I can see where my "design plan" should have stayed in the "planning stage" a little longer.
