Real Dial Size • Disque de Définition de la Taille Réelle • Disco de Definición de Tamaño Real • Realgrößenwähler

All characters are measured from the lowest possible point to the highest. In Word Collage, all characters are created at the same height.

Tous les caractères sont mesurés à partir du point le plus bas possible jusqu'au point le plus haut. Dans la cartouche Word Collage (Collage de Mots), tous les caractères sont créés de la même hauteur.

Todos los caracteres se miden desde el punto más bajo posible al punto más alto. En el cartucho Word Collage (Collage de Palabras), todos los caracteres se crean de la misma altura.

Alle Zeichen werden vom untersten möglichen Punkt bis zum höchsten möglichen Punkt gemessen. In Word Collage (Wörtercollage) werden alle Zeichen gleich hoch geschaffen.
